Flashlights in the Dark

Shadow

Here now, awake, within night
Who sees beyond this dim light?
This world is loud;
what binds us now?
Grid or Soul?

Oh, what broken faith led here?
We remember when freedom rang;
Look at this Fearsome world

Yes; love shines through,
though in the night, our eyes fail.
Alas, in time we feel less and less.

Who can read?
Who reads these shadowed lines?
New rains fall on dirty dawns
where is the sun to dry our new day -
for Night?

Where live wonders without stars?
Where sleeps the light?
Deep shadows *lean* on night.

We carry on with flashlights in darkness;
behold: this "Brave World"

=====

Cold hands, cold breath,
are we human?

Should your hands grow weary,
I'll carry your light too.

One light, so dim,
by grace, still steals night.

Who are we?

Light

Here now, awake, within night
Who sees beyond this dim light?
This world is loud;
what binds us now?
Grid or Soul?

Arise! Now!
Look at this! A creation age!
They will do as we command;
we can only imagine now
Oh, what a world!

Tides will start to turn;
in the Night, we rest.
Here, look here, look at this new light!
Shining, singing,
in night we bloom as autumn.
Here, with color preceding night.

ahh - flurries of color in the sky
Where sleeps the light?
Deep shadows *lean* on night.
We'll carry ours, here, in darkness

So here:
behold: this "Brave World"

=====

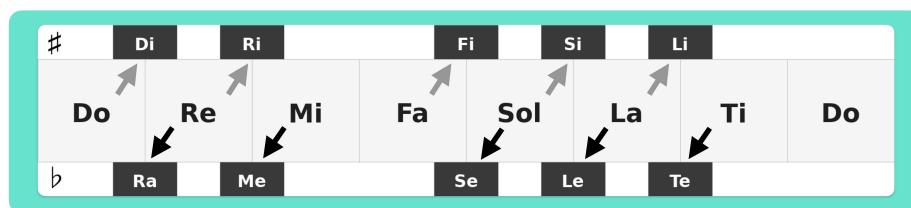

Should your hands grow weary,
I'll carry your light too.

One light, so dim,
by grace, still steals night.

Who are we?
